

"Central Florida-Based Margaritaville Resort Orlando Wins the 2020 Travelers' Choice Award from Tripadvisor®."

Margaritaville Resort Orlando has been recognized by Tripadvisor as a 2020 winner of the Travelers' Choice Award! This honor is given to the top 10 percent of hospitality businesses around the globe. The winners were chosen by a full year of exceptional Tripadvisor reviews — before any changes caused by the pandemic.

"The entire team at Margaritaville Resort Orlando is extremely proud of this accomplishment as there is no better judge of our work than our guests," said resort President Jim Vespa. "Being recognized among the best in the hotel industry is evidence of our high standards and services. Receiving this honor after only being open for a year and half shows that Margaritaville Resort Orlando is a leading resort in the region."

Located in Kissimmee, Fla., Margaritaville Resort Orlando is owned by Encore Capital Management and managed by Davidson Hotels and Resorts. Guests have two accommodation options to choose from – the Margaritaville Hotel, which features upscale amenities and balconies in each of 186 guestrooms or the Margaritaville Cottages, private residences that offer the comforts of home – both of which provide a premium experience and friendly, genuine island-inspired service. For those wishing to turn their time in paradise into a permanent address, the option to own a private vacation cottage home is available as well.
